

24 February 2025

Dear Parents and carers

As part of our work to help improve communication with parents, I would like to highlight that the school website includes lots of information about your child's learning journey at Carlton le Willows Academy.

Please spend some time getting to know the website and find out more about what life at our academy is all about.

- Click on '**About**' to discover the vision for the school, including our ethos and values. Here, under statutory information, you will have access to school policies.
- Click on '**Information**' to discover information about the academy day, attendance, catering, uniform and enrichment.
- Click on '**Curriculum**' to discover what subjects your children study and what is taught within each subject. Here you will find information about option subjects, including the Year 9 Options Hub for when your child is selecting their GCSEs.
- Click on '**Sixth Form**' to discover about studying for A-Level qualifications. Here you will discover what subjects/courses that the school offers and how to apply for a place at Sixth Form.
- Click on '**News and Events**' to see term dates, parents' evening dates and newsletters.
- Click on '**Contact**' for Carlton le Willows Academy contact information.

Thank you to all parents and carers who are working with us to help us achieve the award and please continue to give us feedback about the work that we do at Carlton le Willows Academy.

Yours sincerely

M Tomlinson
Head of EPC
